

FUMC'S Food for Friends List and Plan

The three groups alternate (independently) for funerals and fellowship meals providing:

1. Food and service, as needed, for Funerals
2. Set up, service & clean-up for covered dish luncheons in addition to personal contributions for the meal

The group chair contacts those in her group to provide food, service, or a monetary contribution toward the expense of more costly items such as flowers, meat, or punch.
